From the Station of Fidelity

Dear Fellow Elks,

Last month we had our annual CHEA's State Convention in Palm Springs. It's great to see leaders from our district and 18 others learning and participating together to attain common goals to better our lodge and for Elkdom. The 3 days of business sessions allowed us officers and visiting members to familiarize ourselves with lodge operations, learn responsibility and build relationships.

Our State Association has elected Ted Talbot from Torrance Lodge as our new State President this year. We held a vast drum rally to ring him in at the convention. Also from Torrance Lodge, Beverly Woulfe was elected as our District Deputy Grand Exalted Ruler, and from Redondo Beach, Liz Dye as our District's Association Vice President. I congratulate and welcome them during their visits to our lodge this year.

Our Lodge was among 14 other lodges that competed in the Ritual Contest at State Convention. Even though we didn't place in the top 2 slots, competing at this level is a big win at our Lodge. I want to thank our ritual team's hard work and dedication to this year's competition and our team coaches, The Honorable Past Grand Exalted Ruler Bob Duitsman and Past District Leader Noe Saenz, for investing their time to coach the ritual team. We have made our presence known at State, and I am very proud of our accomplishment. We'll be back again next year!

We start the first Saturday in June by returning to Karaoke from 7-10 pm. Warm up your vocals and sing your hearts out!

June 14 is Flag Day, one of Elk's traditions in which we celebrate the history of our flag. We will be holding a Flag ceremony starting at 6:30 pm at our second Wednesday meeting and hope you all can come and join us in the celebration.

Our beloved Emblem Club has been helping to serve brunch for Father's Day at our Lodge, but unfortunately, they will not be able to do so this year and have asked us to arrange the brunch. This will be an excellent opportunity for newer members to volunteer with our seasoned volunteers.

As members of society, we must represent ourselves with the utmost decorum wherever we are. We must always consider our obligations to our lodge and the Order. Most join for the social aspect, and some join to be part of something bigger than themselves. I challenge current and new members to come and become part of the administration or the business part of our lodge. Come to our meetings, participate in our programs, and help lead our lodge into the future.

See you at the lodge.

Edward Yeh, Exalted Ruler

From the Station of Charity

Hello Fellow Elks,

It's hard to believe that we are almost half way through the year.

I would like to send a heartfelt thanks to all the volunteers who helped cook, serve, collect money, set up, cleanup, etc. for the Mother's Day event last month. As such, I would send a belated Happy Mother's Day wish to all the mothers. The event this year had an excellent turnout, and I have to say the food prepared

by all the volunteers was excellent (although I may be a little biased since I was volunteering). I want to thank the House Committee and all the people that helped to put together the Cinco de Mayo event. Although I wasn't able to attend, I heard it was a very good event.

For June, I'd like to also take the time to wish all the fathers a Happy Father's Day! Further, be on the lookout for several events such as a Father's Day brunch, a Flag Day ceremony and the lodge meetings in June. So keep checking the website, your email, the Lodge's Facebook and Instagram accounts for the latest information.

Lastly, congratulations to the Lodge's Ritual team for winning the district contest and for the effort put into the State competition (as of the writing of this article the state competition hasn't taken place, but I am sure we did great).

Let's all continue to stay healthy and I hope to see everyone at the Lodge.

Stay healthy and hope to see you all at the lodge soon.

Brotherly yours,

#4958

Memorial Day Picnic

May 29th

1 to 4 PM

From the Station of Justice

Dear Fellow Elks,

Summer is rolling in and the Lodge has many Elktivities planned! We have a few holidays coming up to celebrate, appreciate, and honor those who have dedicated their lives.

June 6th is D-Day, WWII. In remembrance of the single day on June 6, 1944, when Allied forces stormed the beaches of Normandy, France. Despite the loss of over 4,000 troops, 2,000 of

which were American, it is regarded as the turning point of the war in Europe. Take a moment to honor those who lost their lives or were wounded on that day. Semper Fi.

The Lodge will be having a special Father's Day Breakfast on Sunday, June 18th to celebrate and enjoy time with Dad and appreciate all that he does for you. Bring in your friends and family. Dads eat free!

June 19th marks the Federal holiday Juneteenth. Also known as Emancipation Day, it marks the day when the last slaves were finally freed. Recognize that we all must learn to live together or we will perish together as fools.

Come join the Lodge Meetings on the 1st and 3rd Wednesdays of the month and share your ideas, opinions and concerns. This is your lodge too.

Brotherly Yours,

Samantha Arrieta Esteemed Loyal Knight

2023-24 DUES ARE DUE

From the Station of Brotherly Love

Dear Fellow Elks,
I attended the CHEA State Convention and heard some great speeches but the highlight of the event for me was meeting this year's Theme Child, Aushay, and his family. It brought home the reason why we do all the things we do to raise funds. It is amazing all about the hours and miles that therapist puts in for all the children in need of their services. It made me so proud knowing that we are part of what helps this happen. Let's do all we can to increase our lodge's part this year. If you are not already a recurring donor for the California-Hawaii Elks Major Project I encourage you all to sign up.

Our Ritual Team's journey came to an end at the state level. Although we didn't win the competition, all our hard work was not in vain. We are better prepared now for what really matters, giving our new members an initiation that will leave a lasting impression. I am very proud of our team. Thank you Bob and Noe for your coaching.

I want to wish all fathers a very happy Father's Day. More calls are made on Mother's Day than any day of the year. Let's help bring the numbers up on Father's Day by calling your father, if you still have the privilege of having him in your life. Hope to see you at our Father's Day Celebration.

Come by on Tuesday or Thursday or both nights for a burger or whatever you fancy off the menu. There's nothing like getting a night off from cooking, especially now that the weather is getting hotter.

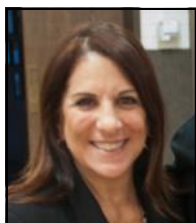

I encourage everyone to come to the lodge meetings, especially for Initiation night. Let our new members see that we are a lodge with strong participation. Our Lodge is what we make of it. Let's make it the best it can be!

Brotherly Yours,

Maria Blanco, Esteemed Lecturing Knight

Bicycle Recycling Project

Our refurbishing and refitting of old bicycles is still going strong.

We take old bicycles donated by you and we make them into like-new bicycles, which are then donated to less fortunate kids in our community and veterans who are less well off. A special thank you is due to member **Jack McEachern** for doing all the work and supplying many of the parts at his own cost.

Bring your old bikes to the lodge and join in this effort to bring joy to some kids and veterans this year.

Cinco de Mayo

Aushay

2023 CHEMPI Theme Child

Aushay was born after a complicated 36 hours of labor. He seemed very healthy, but at his 3 week checkup, his parents and pediatrician noticed a few abnormalities and he was referred to a cardiologist, a geneticist and an ophthalmologist. He had his first surgery on his eye when he was only 3 months old, to expand his pupil and correct corneal opacities, which were blocking his visual input.

Over the next months and years, Aushay's list of medical specialists and procedures grew. Eventually, he was diagnosed with a rare genetic condition called Rubenstein-Taybi Syndrome. He was also diagnosed with autism, ADHD, cerebral palsy, glaucoma, intellectual disabilities, sleep disturbances and a host of eye issues. In 2021 Aushay was also diagnosed with Lennox-Gastaut Syndrome, which is a rare form of epilepsy.

When he was 2 years old, Aushay was introduced to intervention services due to a speech/language delay. Speech Language Pathologist, Jocelyn Bishop, began working with Aushay in March of 2022 when his family was struggling to find resources to help with communication concerns. Jocelyn's therapy services through the California-Hawaii Elks Major Project coincided with the emergence of the global pandemic. Aushay has developed a very strong connection with his therapist and has been an excellent participant in his speech therapy program. He is working on his goals to improve his social-pragmatic skills, socio-emotional skills, articulation skills and language.

The appreciation and gratitude for the Major Project services grew even more when Aushay's little brother, Levi, was referred for speech and language therapy services in February, 2023 due to a recent diagnosis of ADHD, severe separation anxiety and Oppositional Defiance Disorder. Levi is so excited to also get to work with Jocelyn.

Aushay continues to make progress toward his goals in speech and language therapy with Jocelyn's guidance. He is building skills to become a better communicator, improve the clarity of his speech and work on strategies to self-regulate in order to build strong connections with his family, friends, teachers and therapists.

Aushay is a shining example of what the therapy services through the California-Hawaii Elks Major Project can accomplish! The therapists who are part of this project are honored to offer their skills and expertise to children like Aushay to develop skills and learn strategies, so that they can walk, talk, see and play! The California-Hawaii Elks Major Project provides skilled services and hope for families in need.
