From the Station of Fidelity

Hello Fellow Elks,

Every year, CHEA establishes a Leading Knight challenge for each lodge in our state to participate in raising funds for the CHEMPI Purple Pig project. This fundraiser aims to continue the program of helping children with disabilities from the time they are born to the age of 18. It provides 34 therapists who travel thousands of miles each year to give these families tools and resources to provide care and education to help their kids walk, talk, see, and play.

For this year's challenge, we held another Casino Night event to raise funds for CHEMI to fund these therapists. Putting together this event is very involved and requires dedication. There were 4 of us who met on a Saturday to pound the pavement around Culver City businesses to ask for their sponsorship and donations while promoting our Lodge and mission. I thank our Esteemed Leading Knight, Van Beer, for taking on this tremendous challenge. Tess Thompson and Michelle Mata were among the pack and the Casino Committee (you know who you are) helped with arrangements and decorations. The event was a great success, with an evening of great fun, fabulous food, music, and games.

We are counting down the months to another new Elk Year. For each outgoing officer, their chairs must be filled. We will start nominating for open officer positions during our first meeting in February. I am encouraging all members who read the ELK CALL and are interested, to consider stepping up or nominating anyone you know who is interested in applying. Finding the members to step up into these positions seems complicated each year. Your lodge needs your help!

From the Station of Charity

Hello Fellow Elks,

First and foremost, thank you to all who attended the Charity Casino Night to raise funds for the purple pig to support our activities . It was a great night of fun for all. Further, I really want to recognize those that helped me prepare for this event, as well as, all those that donated items for the raffle prizes and silent auction. THANK YOU!!!

Also, it's that time of year to prepare for the leadership changes within the lodge. Please come attend the meetings to nominate and vote for next year's leadership. Also, please let me know if you wish to become an officer, either elected or appointed. Further, we have a lot of committees that need people to help out, so if you wish to volunteer for any of these committees, please also let me know. With that, also be on the lookout for dues statements for the new lodge year starting on April 1.

The football playoff games have been exciting so far, regardless of the team or teams you root for. The Super Bowl is an exciting time at the lodge, so if you don't have plans, consider coming to the lodge to enjoy your fellow Elks as well as the game.

Stay healthy and hope to see you all at the lodge soon. Brotherly yours,

Van W. Beer, Esteemed Leading Knight

CHEA PRESIDENT TED TALBOT'S HOMECOMING March 1-2, 2024

If you plan to attend any of these events, please contact Caspar de Jong at the office either by phone or email. Seating is limited at each event, so don't delay.

During Thursday Night Football

Bicycle Recycling Project

Our refurbishing and refitting of old bicycles is still going strong.

We take old bicycles donated by you and we make them into like-new bicycles, which are then donated to less fortunate kids in our community and veterans who are less well off. A special thank you is due to member **Jack McEachern** for doing all the work.

Bring your old bikes to the lodge and join in this effort to bring joy to some kids and veterans this year.

From the Station of Brotherly Love

Dear Fellow Elks,

We are two months into the new year and I hope things are going well for you.

I've had a lot going on in my personal life. My Mom has been struggling with complications from diabetes. A reminder not to take our health or loved ones for granted. Get your check ups and stay on top of things, not just

physically but mentally as well.

The Groundhog needs to announce a short winter because I am over cold weather. Bring on the sun!

I hope to get back to attending meetings and functions and hope to see more of you there.

Brotherly Yours, *María Blanco, Esteemed Lecturing Knight*

Elks Veterans Programs

Elks pledge "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." The Elks National Veterans Service Commission takes that pledge one step further, and promises service to our nation's veterans and military members, with a special focus on service to those in need.

Thousands of Elks volunteers give generously of their time, energy and resources to serve veterans and military members each day, to ensure that pledge is not an idle one.

Today, our volunteers provide direct service to veterans in more than 330 facilities each month. Through our grants to Elks Lodges, we connect with veterans and military members in their communities, providing them with services where they live. We help veterans rehabilitate and thrive through adaptive sports programs and therapy kits. And our Welcome Home initiative is reaching out to some of our most vulnerable veterans: those who are experiencing homelessness.

When it comes to serving veterans, the Elks have a long and storied tradition of being there when they were needed most. Since we began, the needs of military members and returning veterans have continued to change, and the Elks have adapted to those needs, remaining an ever-present ally to those who have served this country.

In 1946, the Elks National Veterans Service Commission was formally established, formalizing the Elks' commitment to serving veterans. The ENVSC is a nonprofit 501(c)(3) tax-exempt organization, and operates thanks to a generous grant from the Elks National Foundation.

Your donation to ENF helps us continue our important work.
