From the Station of Fidelity

Hello Fellow Elks,

So far so good. My first month as Exalted Ruler has been very busy. I don't believe I have messed things up too badly.

However, we have a lot coming in the month of May. We have the ritual contest. While I won't be able to attend and represent the lodge in this event, I have a lot of faith in the team to represent our lodge well. So, my deepest gratitude goes to the officers and substitutes in helping our lodge and also a big thanks to Bob Duitsman for being our coach.

We have the state convention in Fresno. If you haven't made arrangement, the event is still open to all Elks. For those who are going, there will be a hospitality suite for the South Central Coast District. We could always use the help, so please reach out if you wish to volunteer at the hospitality suite.

We also have a lot of events going on in the lodge, especially at our Cinco de Mayo event. So if you haven't bought tickets yet, please do so before they sell out, since it's one of our most popular events.

As always, we encourage ALL of our members to attend the monthly House and Board meetings on the 2nd Tuesday of each month and regularly scheduled Lodge meetings on the 1st and 3rd Wednesday of each month. The more we hear from you, the better equipped we are to implement those ideas which will make the Lodge better for everyone.

Stay healthy and hope to see you all at the lodge soon.

Brotherly yours,

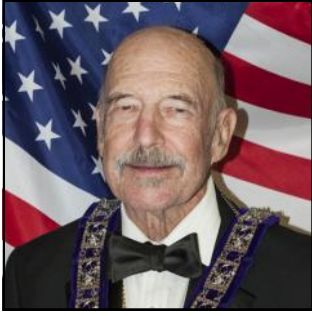

Van W. Beer, Exalted Ruler

From the Station of Charity

Greetings fellow Elks from the station of Charity.

Our Lodge directly supports our two main Elks charitable outlets. The California Hawaii Elks Association (CHEA), and our Elks National Foundation (ENF). A few notes on ENF . . .

The mission of the Elks National Foundation is to help Elks build stronger communities. They fulfill this pledge by investing in communities where Elks live and work. They help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that im-

prove the quality of life in local Elks communities. They contribute directly to our CHEMPI, as well as giving money directly back to our Lodge through grants.

Since inception, the ENF has contributed more than \$500 million toward Elks charitable projects nationwide, and this year will distribute 45.3 million nationwide. As I understand it, every dollar that we donate goes directly into their General Fund, and the distribution of funds comes directly from their interest and investment income. They will grant nearly \$10.7 million to the state Elks associations, which includes our CHEA.

Each year, the ENF strives to grant more money back to each state than it received from that state in donations. These grants help fund the state Elks associations' major charitable projects, which include aid for people with disabilities, cancer research, children's hospitals, youth camps, and safe havens for abused families. The state associations also use these grants to fund our Hoop Shoot, Drug Awareness, scholarship and veterans service programs, as well as other charitable and philanthropic projects. Let's all donate to the ENF. Charity is the cornerstone of every Elk structure, the highest virtue of every Elk creed.

Roy A. Johnson, Esteemed Leading Knight

NOTICE REGARDING 2024-2025 DUES

Please note that the dues for the coming year have increased by \$5 to \$130, due to a \$5 per capita increase from Grand Lodge. The lodge dues have not increased. Your dues notices were mailed to you in February at the address we have on record.

Your dues must be paid by April 1, 2024. If you have not yet paid your dues, you are now considered to be delinquent and club privileges are not available to you.

Dues can be paid by cash, check, credit card or Venmo. The office is open Monday thru Thursday from 9 AM to 1 PM. Payment can be in person at the office or at the bar. You can mail a check or call in with a credit card. Do not mail cash.

If you have not received your statement of dues or lost it, please contact us immediately. Email us at culvercitybpoe1917@gmail.com or call us at 310-839-1917.

From the Station of Justice

Greetings from the Station of Justice.

Congratulations to Exalted Ruler, Van Beer, and all the officers who were Installed on April 3rd. It was a very eventful night with many lodge members attending, as well as, many from other lodges in our district. It was good to see the lodge room so full. We are still in need of a Lecturing Knight, if you are interested. We will all pitch in and help you with the Christmas party, if that is what is holding you back.

There are a few events planned for May including the Cinco de Mayo party on Friday May the 3rd. This promises to be a great time so please come out if you can and support the lodge.

The Ritual contest will be held May 4th at Westchester Lodge. Culver City's time slot is at 1:00pm if you would like to attend or have a post drink with us.

There also will be a Mother's Day Brunch and Memorial Day BBQ – details to follow. As always, volunteers will be needed and are greatly appreciated.

Please feel free to notify me of any events or happenings you would like me to share in upcoming editions of The Call.

Peace and Justice to all Elk sisters and brothers!

Jean Phillips, Esteemed Loyal Knight

Bicycle Recycling Project

Our refurbishing and refitting of old bicycles is still going strong.

We take old bicycles donated by you and we make them into like-new bicycles, which are then donated to less fortunate kids in our community and veterans who are less well off. A special thank you is due to member **Jack McEachern** for doing all the work.

Bring your old bikes to the lodge and join in this effort to bring joy to some kids and veterans this year.

BLT NOW ASK ME HOW

The Bequest and Living Trust Overview

BLT is short for the Bequest and Living Trust Committee. The idea behind the BLT is to encourage all Elks to name the Major Project as a beneficiary of their Estate in any amount an Elk and spouse can afford. It is recognized that an Elk's first responsibility is to the family.

The purpose of Bequest and Living Trust

Building for the Future

BLT was not begun as a replacement for the Piggy Bank Program but to work hand in hand with it. The aim of the BLT Committee is to insure the future of

the Major Project. To guarantee that future, the BLT Committee is seeking commitments from Elks and their spouses, stating that they have provided for a distribution from their estate (upon their death) to continue the good works of the Major Project. Giving to the Major Project through BLT is not limited to Elks alone. Anyone can direct that a charitable gift be given to CHEMPI from their Estate.

The BLT Benefactor Program

The Benefactor Program was formed to recognize Elks, their spouses and others who have made a commitment to the Major Project either through their wills or through a direct donation. All gifts made through the BLT Benefactor program will be invested prudently to obtain maximum growth.

The BLT Benefactor Program is designed to make it easy and affordable for everyone to give. With tax benefits to the donor and immeasurable benefits to disabled children.

The BLT Commitment Trust Program

The Commitment Trust is a charitable remainder unitrust (UT) which pays 7% of the trust value each year for as long as the donor or spouse is living. When both of you have passed on, the value of the trust is transferred to the Major Project program. There is a \$10,000 minimum to establish a commitment trust.

Based upon your ages, a \$10,000 commitment trust will create an immediate income tax deduction. The final deduction amount depends upon time of creation of the trust since your ages and IRS' monthly factor impact the deduction calculation.

The Benefits to You

- You and your spouse will have lifetime income
- An income tax deduction
- Avoidance of capital gains taxes
- Reduced estate taxes
- Tax sheltered growth
- BLT recognitions

Got it? Give it? Great!

Are you creating or updating an estate plan? While you're at it, consider including a gift to the Major Project. A gift of 1% or more of your estate or life insurance will help continue the important work of our therapists and vision screeners for many years. Can you give a little bit? Great! Contact our BLT Legacy Giving Chairperson, Bob Duitsman, for more information.

Culver City Elks Donate to the Community

Thanks to an ENF Gratitude Grant, we were able to donate \$1,000 to the St. Joseph Center in Venice to help with their food programs for the less fortunate families and homeless in the community.

C. Michael Melton, PDDGER and District Leader received an award and certificate for having reached the CHEMPI Millenium Club level for the **11th** time.

Thanks to the ENF Beacon Grant we were able to donate \$400 to the Boys & Girls Club at Mar Vista Gardens to enable them to purchase additional equipment for their facility, which helps the kids stay off the streets and out of gangs.

On March 23rd the rain did not stop us from delivering clothing, bikes, and food to the homeless veterans at the WLA VA Rose Garden. This year David Echavarria raffled the bikes and everybody got a chance to win one. Great idea from David. Also want to thank those that helped that day.
