# From the Station of Fidelity

Hello Fellow Elks,

First I would like to thank Van Beer for his dedication and great job he did representing our Lodge this past year. You will be a tough act to follow.

I would also like to thank the members of this Lodge for confirming me as your next Exalted Ruler for the upcoming 2025-2026 year. I truly appreciate it and hope that you will approve of the new ideas and changes that we

have planned for the Lodge.

We have a few positions still open, so if you would like to get more involved, please don't hesitate to approach me or any officer and let us know. If that is too much of a commitment, then help the Lodge by volunteering for one of the upcoming events.

Here's to a great coming year! Semper Fi!

Brotherly yours,

*Samantha Arrieta, Exalted Ruler*

## Bicycle Recycling Project

Our refurbishing and refitting of old bicycles is still going strong. We take old bicycles donated by you and we make them into like-new bicycles, which are then donated to less fortunate kids in our community and veterans who are less well off. A special thank you is due to member **Jack McEachern** for doing all the work.

**Bring your old bikes to the lodge and join in this effort to bring joy to some kids and veterans this year.**

# In Support Of Our Veterans

On Feb. 22nd we had the WLA VA Outreach where we delivered 13 bikes, 15 bags of clothing mixed for men and women. We had 9 members from the club load everything at the Lodge at 10 AM and then headed to the VA to set up 4 tables full of clothing. Michelle has a unique way of folding the clothes and it looked like a department store set up. Thank you for all those that helped that day.

They are David Echavarria, Roger Morales, Eric Siritto, Morris Ellis, Junior Cruz, Tim Lindley, Michelle Mata, Raquel Blanco and Louie Santiesteban. There were 2 non-members that helped from the Knights of Columbus Marina District. They were Jose Gonzalez, and Hector Garcia. Great job everyone. Thanks.

# CHEMPI

## Mission Statement

*"The California-Hawaii Elks Major Project, Inc., a committee of the California-Hawaii Elks Association, pledges its commitment to addressing the unmet needs of children with disabilities throughout the states of California and Hawaii by developing a program of supporting services to aid these children at no cost to the families and without discrimination."*

In 1950, CHEA created an organization within it to help children with disabilities. The fundraising arm of CHEMPI is the Purple Pig. All donations are TAX DEDUCTIBLE!

The organization is called the [California-Hawaii Elks Major Project, Inc.](#) This unique program funds 32 paid therapists and preschool vision screeners, hired by CHEMPI, to help disabled children when no other organizations can or will. These CHEMPI professional therapists and preschool vision screeners travel, sometimes great distances, to help children get care they need.

Further, many times the children will have tests, e.g. Vision Screening, that catches early signs of amblyopia ("Lazy Eye"), a medical problem that, once caught, can be corrected early on and save a child from going blind, quite literally.

# BLT NOW ASK ME HOW

## The Bequest and Living Trust Overview

BLT is short for the Bequest and Living Trust Committee. The idea behind the BLT is to encourage all Elks to name the Major Project as a beneficiary of their Estate in any amount an Elk and spouse can afford. It is recognized that an Elk's first responsibility is to the family.

## The purpose of Bequest and Living Trust

### Building for the Future

BLT was not begun as a replacement for the Piggy Bank Program but to work hand in hand with it. The aim of the BLT Committee is to insure the future of

the Major Project. To guarantee that future, the BLT Committee is seeking commitments from Elks and their spouses, stating that they have provided for a distribution from their estate (upon their death) to continue the good works of the Major Project. Giving to the Major Project through BLT is not limited to Elks alone. Anyone can direct that a charitable gift be given to CHEMPI from their Estate.

## The BLT Benefactor Program

The Benefactor Program was formed to recognize Elks, their spouses and others who have made a commitment to the Major Project either through their wills or through a direct donation. All gifts made through the BLT Benefactor program will be invested prudently to obtain maximum growth.

The BLT Benefactor Program is designed to make it easy and affordable for everyone to give. With tax benefits to the donor and immeasurable benefits to disabled children.

## The BLT Commitment Trust Program

The Commitment Trust is a charitable remainder unitrust (UT) which pays 7% of the trust value each year for as long as the donor or spouse is living. When both of you have passed on, the value of the trust is transferred to the Major Project program. There is a \$10,000 minimum to establish a commitment trust.

Based upon your ages, a \$10,000 commitment trust will create an immediate income tax deduction. The final deduction amount depends upon time of creation of the trust since your ages and IRS' monthly factor impact the deduction calculation.

## The Benefits to You

- You and your spouse will have lifetime income
- An income tax deduction
- Avoidance of capital gains taxes
- Reduced estate taxes
- Tax sheltered growth
- BLT recognitions
