From the Station of Fidelity

Hello Fellow Elks,

These are my last words of wisdom I will share with you (maybe not a lot of wisdom over the years) as my time as ER is coming to an end. I would like everyone to know it has been an honor and pleasure leading Culver City Lodge #1917 this past year. It has been an experience I will never forget.

I have so many people to thank for all of the help with events, functions & parties. So a huge thank you to my officers, trustees, house committee members and all the volunteers who stepped up to help make our Culver City Elks functions unforgettable. THANK YOU! Further, a huge THANK YOU to my wife Amy for being my first lady. I could not have done this without you.

My year is ending but going forward let's make the next year better and greater than the one I'm leaving. As a group we can achieve anything that we set forth and endeavor to accomplish. Please provide Sam Arrieta the same (if not better) support you have provided me over the past year and may her problems be few and far between.

We have quite a few events happening this month, including St. Patrick's Day event (and my fade out) on Friday, March 14. We also have a First Responders event on March 30. I would love a large turnout in support of our first responders in our community. So please join this event if you can.

Brotherly yours,

Van W. Beer, Exalted Ruler

(soon to be Junior Past Exalted Ruler)

From the Station of Charity

Greetings fellow Lodge members,

This is my last Elks Call article as the new Lodge year is upon us and the incoming Officers are ready to go on leading our Lodge into the future. Samantha Arrieta will step up as our new Exalted Ruler and let's show her our support by attending some Lodge meetings, which are held on the first and third Wednesdays of each Month. These meetings last about 60 to 90 minutes after which we socialize in the club. Turn off that TV and come on down!

We celebrate St. Patrick's Day twice this year so wear some green and have some cheer! Our Lodge party is on

the 14th with a band and some good food, hopefully corned beef. St Pat's is one of my favorite holidays as it is dedicated to just having a good time with friends and family. There's no doubt that Becky and I will be out on March 17th, kicking it up. I hope to see you all this month.

Let's not forget that charity is the cornerstone of every Elk structure, the highest virtue of every Elk creed. Ask yourself 'What can I do to support our mission of Charity at our Lodge?' The answer is simple. Fill up your Piggy Bank and bring it into our office. Become a monthly donor to our State CHEMPI charity and/or to our Elks National Foundation. The forms can be found online at each website. CHEMPI (Purple Pig) is at chea-elks.org and ENF is at elks.org. Ten dollars a month from our membership would be huge. Please give this idea some thought.

Finally, be safe, be well, take care of yourself and get involved with the activities of our Lodge. I hope to see all of you soon.

See you at the Lodge, *Roy A. Johnson, Esteemed Leading Knight*

Bicycle

Recycling

Project

Our refurbishing and refitting of old bicycles is still going strong.

We take old bicycles donated by you and we make them into like-new bicycles, which are then donated to less fortunate kids in our community and veterans who are less well off. A special thank you is due to member **Jack McEachern** for doing all the work.

Bring your old bikes to the lodge and join in this effort to bring joy to some kids and veterans this year.

From the Station of Justice

Greeting from the Station of Justice!

This month I would like to discuss Political Justice using Elk Values as a Moral Compass.

Elk Lodges are known for their strong community bonds and commitment to service. They offer values that align with the principles of political justice. Below are a few examples of how Elk values enhance political justice.

1. **Charity and Service:** Elks are dedicated to helping those in need and improving their communities. In politics, this translated to policies that support social welfare and address inequities, ensuring that all citizens are cared for.
 2. **Fellowship and Brotherhood:** Elks emphasize mutual support and camaraderie. In the political realm, this fosters unity and collaboration among citizens and leaders, working together for the common good.
 3. **Patriotism and Civic Duty:** Elks honor their country and fulfill their civic responsibilities. This value encourages active political participation, informed voting, and engagement in activities that strengthen democracy and uphold justice.
 4. **Integrity and Ethical Conduct:** Elks uphold high moral standards and act with honesty. In politics, leaders should exemplify ethical behavior, making transparent decisions and prioritizing public welfare over personal gain.
- By integrating Elk values into the pursuit of political justice, we create a governance framework grounded in compassion, integrity, and fairness.

In conclusion, the values championed by Elk Lodges provide a solid foundation for enhancing political justice. By embracing these principles, we can work towards a society where fairness, respect, and unity prevail, leading to more just and equitable governance.

Peace and Justice to all Elk brothers and sisters!

2025-2026 DUES NOTICE

Please be advised that our Lodge dues have not increased for the coming year.

However, the Grand Lodge assessment for each member has been raised by \$3.00. Therefore, your 2025-2026 dues statement has reflected that increase.

In Support Of Our Veterans

Elks pledge "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." The Elks National Veterans Service Commission takes that pledge one step further, and promises service to our nation's veterans and military members, with a special focus on service to those in need.

Thousands of Elks volunteers give generously of their time, energy and resources to serve veterans and military members each day, to ensure that pledge is not an idle one.

Today, our volunteers provide direct service to veterans in more than 330 facilities each month. Through our grants to Elks Lodges, we connect with veterans and military members in their communities, providing them with services where they live. We help veterans rehabilitate and thrive through adaptive sports programs and therapy kits. And our Welcome Home initiative is reaching out to some of our most vulnerable veterans: those who are experiencing homelessness.
